Attn. The managing director,

Dear Sir,

Re: Use of Bio Fuel by TANZANIA PETROLEUM SERVICES LTD

We have been using your Bio Fuel since April of this year and would like to express our fully satisfaction regarding the quality of your product.

Indeed, we are using your Bio Diesel for our generators and company vehicles (2 trucks and 5 cars).

We have noted significant improvement in our consumption and engine performance.

On top of that, the use of Bio Fuel enables us to reinforce our commitments in regard to our sustainable development company policy.

We highly wish that our cooperation will last in the future.

Yours sincerely,

THIBAUD HACQUARD
GENERAL MANAGER
